

Residential & Commercial - Ultra Low Flow Toilet (ULFT) Rebate Program

Stop flushing money down the toilet and start conserving water today! As part of the City of Solvang, Water Conservation Program, City customers may be eligible to receive a 60% rebate, up to \$120 through the City's Ultra Low Flow Toilet (ULFT) Rebate Program.

The City's ULFT Rebate Program is offered on a first-come, first-served basis and is effective until funding is exhausted or by June 30, 2016. Before purchasing or installing a replacement toilet, please read the program guidelines listed on the application carefully. After you have purchased and installed a qualifying device, send your completed application, with the **original** sales receipt to the City. A photocopy of the sales receipt will result in the application being rejected and returned. Once an application has been received, the City will contact the applicant for verification of old toilet and to complete the application process. Following approval, the City will issue and mail a check to customer name listed on the application.

Thank you for joining the City in our ongoing water conservation efforts. Any questions regarding the City's ULFT Rebate Program should be directed to Kristin Rubin at 688-5575.

Program Terms and Conditions for Participation:

- Rebates are limited to current residential and commercial water customers of the City (**Limit of 2 rebates per household or building**). **Rebate not available for Hotels/Motels.**
- Applicant's water bill account number **MUST** be provided on application. Applicant name must be the same as water account customer of record.
- Rebate Application must be postmarked within 60 days of purchase date.
- New toilets must be Low Flow or Ultra Low Flow Toilets (1.6 gallons per flush (gpf) or less) and must replace units using a volume of at least 3 gpf.
- Original dated sales receipt for new toilet tank and bowl must be submitted with application.
- Qualifying toilet(s) must be installed before submitting rebate application.
- Applicant agrees and understands that the City and/or its representatives reserve the right to inspect the installation of the new and old fixture before the rebate check is presented to the applicant during the July 1, 2015 to June 30, 2016 timeframe.
- Applicant agrees and understands the City does not guarantee that the installation of an ultra low flow toilet will result in water savings on monthly water bills, as specific home site water consumption varies by household practices.
- Submission or possession of an application does not guarantee receipt of a rebate.
- Incomplete applications and those without an original dated receipt will be denied.
- New construction projects and remodeling projects requiring a building permit do not qualify for rebates.
- The effective date of the rebate offer is July 1, 2015. ULFT toilets must be purchased after that date. Rebates will not be issued retroactively for toilets purchased prior to July 1, 2015.

Don't Forget To:

- Install your toilet prior to submitting application, and call the City for Inspection of old toilets. Call 805-688-5575 (Kristin Rubin) for an inspection.
Save your old toilets until inspection can be made. Old toilets are recyclable.
- Complete all sections of the application.
- Include “make” and “model number” of the toilet on the application.
- Provide a stamped, self-addressed envelope with this application if you would like your original receipt returned to you.
- Retain a copy of this application and the receipt for your records. The City is not responsible for materials lost in the mail.
- Attach the original sales receipt to this application. (Photocopies, journal receipts, rebate receipts or fax copies are **NOT** acceptable.)
- Attach a copy of your recent water bill for the address where the toilets are installed. Rebates CANNOT be processed without a copy of the water bill.
- Agree to the terms of the Rebate Program by signing and dating the application.
- Send completed application to:

City of Solvang
