

Date: 11/10/20

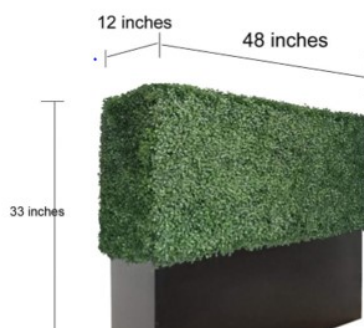

Dear City of Solvang Business,

Please be advised that the City Council made the following adjustments to Design Guidelines applicable to businesses operating outdoors in public right of way. All other Design Guidelines provision as originally approved by the City Council remain in effect.

Businesses can request additional Parklets from the City and may apply for up to \$3,000 interest free loan with a repayment term of 12 months. To request, please, email CityHall@CityofSolvang.com.

BDC Modified Design Guidelines

- ▶ Leave Parklets in place
- ▶ Allow businesses to use either the originally recon barriers or stanchions with rope to satisfy ABC req

No Wit

Businesses expanding into public right of way onto open to traffic roads (such as parking lots), are required to use white color K-Rail barriers and to fill such barriers with water or sand for safety. Businesses are encouraged to dress up the K-Rail barriers to make them more astetically pleasant.

Please also be advised that additional guidelines will be issued within approximately a week from the County Fire Department. The guidelines will address what is allowable in terms of making outdoor structures into a tent with more than one side wall. Please do not modify the Parklets until the Fire Department Guidelines are available.

Sincerely,

Xenia Bradford
City Manager
