To the Citizens and Businesses of Solvang:

Subject: City Council Appropriates Additional Funds for Sanitation

The tourism industry is the heart of our Solvang economy. COVID-19 has placed a tremendous burden; yet, we continue to practice safe tourism as State and County guidelines allow. It is more important than ever to maintain a high level of sanitation in our public facilities. On January 25, 2021, the City Council appropriated additional funds to increase the public restrooms sanitation in the downtown area to protect both our residents and tourists.

The bathrooms will be cleaned five times per day on weekends and holidays during the following hours: 10:30 am, 1:00 pm, 3:00 pm, 5:00 pm, and 8:30 pm. This adds two additional cleanings per day.

Sincerely,

Xenia Bradford,
City Manager
